either the applicant or the tenant may apply to the Officer Commanding the District to refer the matter to a committee of arbitration.

Condition XXII.—Whenever any matter is referred to a committee of arbitration in pursuance of Condition XVIII, Condition XIX, Condition XX or Condition XXI, the Committee shall be constituted as provided in Chapter XX of the Secunderabad Cantonment Code, 1903, and the applicant and his tenant shall be bound by the decision of the Committee.

Condition XXIII.—If the applicant fails to comply with any notice issued under clause (1) of Condition XIX, and has not, within fifteen days from the service of such notice, required that the matter be referred to a committee of arbitration, or,

if any committee of arbitration constituted under Chapter XX of the Secunderabad Cantonment Code, 1903, decides that repairs are necessary, and the applicant fails to execute such repairs within a period to be specified in a notice issued by the cantonment authority in that behalf,

the tenant of the house may himself cause the repairs specified in the notice to be executed at rates not exceeding those paid in the cantonment by the Military Works Department or the Public Works Department, and may deduct the cost thereof from the rent, or otherwise recover it from the applicant.

Condition XXIV.—(1) If the applicant does not commence or complete as required by Condition I the buildings to be erected on the land, the cantonment authority may, by notice in writing, require him to remove all or any buildings or materials which he may have erected or collected thereon: and, if he fails to comply with such notice, the cantonment authority may, after giving him six hours' further notice in writing, cause such removal to be effected and recover the cost from him, and may also cancel the agreement.

(2) If the applicant erects any building or makes any alteration or addition otherwise than as allowed by or under Condition II, the cantonment authority may, by notice in writing, require him to remove the building or to alter the same to its satisfaction; and, if he fails to comply with such notice, the cantonment authority may, after giving him six hours' further notice in writing, cause such removal or alteration to be effected and recover the cost from him.

Condition XXV.—(1) So long as the applicant, his heirs, executors, administrators, representatives or assigns, shall observe the conditions hereinbefore specified and on his or their part to be observed, he or they may, subject to Condition XXVII, hold the land for ever without interruption by the Secretary of State, his successors and assigns.

(2) If the applicant, his heirs, executors, administrators, representatives or assigns, shall in the event of the said buildings being destroyed or injured by earthquake, fire, cyclone or other act of God, fail to commence rebuilding the same as provided in Condition III hereof within six months of such destruction or injury and to reinstate the same fit for use as provided in the said Condition III hereof, and within such period as therein provided, or shall break any of the remaining conditions hereinbefore specified, other than Condition I or Condition II, and on his or their part to be observed, the Resident at Hyderabad may, after giving one month's notice in writing cancel the grant or any portion thereof, and may, on such cancellation, declare all or any part of the right and interest of the applicant, his heirs, executors, administrators, representatives or assigns, in the buildings erected on the land to be forfeited.

Condition XXVI.—The applicant, his heirs, executors, administrators, representatives and assigns, shall not be entitled to compensation for any loss incurred by reason of anything done in pursuance of Condition XXIV or Condition XXV, clause (2).

Condition XXVII.—The Resident at Hyderabad may cancel the grant or any portion thereof at any time after giving one month's notice in writing and on payment of compensation for such buildings or portion thereof as shall have been erected under proper authority. If there shall be any dispute as to the amount of such compensation, the same shall be referred to a committee of arbitration, which shall be constituted as provided in Chapter XX of the Secunderabad Cantonment Code, 1903, and the applicant, his heirs, executors, administrators, representatives and assigns, shall be bound by the decision of the committee of arbitration.

The Government of India consider it desirable to meet the requirements of small investors in the London market who may wish to purchase Government of India rupee paper in lots of the value of £10. Ordered that this Resolution be communicated to the Comptroller and Auditor General for information and the issue of further necessary orders, and that the Resolution be published in the *Gazette of India* for general information.

WAR OFFICE;

7th August, 1903.

The King has been graciously pleased to signify His intention to confer the decoration of the Victoria Cross on the undermentioned officers, whose claims have been submitted for His Majesty's approval, for their conspicuous bravery in Somaliland, as stated against their names :

	Name.	Act of courage for which recommended.
Bikanir Camel Corps	Captain W. G. Walker, Indian Army.	<p>During the return of Major Gough's column to Danop on the 22nd April last, after the action at Daratoleh, the rear-guard got considerably in rear of the column, owing to the thick bush, and to having to hold their ground while wounded men were being placed on camels. At this time Captain Bruce was shot through the body from a distance of about 20 yards and fell and the path unable to move.</p> <p>Captains Walker and Rolland, two men of the 2nd Battalion, King's African Rifles, one Sikh and one Somali of the Camel Corps were with him when he fell.</p> <p>In the meantime the column being unaware of what had happened were getting further away. Captain Rolland then ran back some 500 yards and returned with assistance to bring off Captain Bruce, while Captain Walker and the men remained with that officer, endeavouring to keep off the enemy who were all round in the thick bush. This they succeeded in doing, though not before Captain Bruce was hit a second time, and the Sikh wounded. But for the gallant conduct displayed by these officers and men, Captain Bruce must have fallen into the hands of the enemy.</p>
Berbera Bohotle Flying Column.	Captain G. M. Rolland, Indian Army, Intelligence Officer.
